LETTER OF RECOMMENDATION:

FROM: Rev. Dr. Scott Arnold, Pastor of First Baptist Church Bedford, Massachusetts.

Greetings in the Name of Jesus Christ

I am writing to recommend Robison Bryan for Outreach Coordination ministries.

Robison has excelled in the role of Outreach Coordinator in our own church, and we have seen new faces from the community as a result of this effort. Robison is actually the creator of the outreach system and resources that we are using. I encourage you to utilize Robison's experience and innovative approaches to sharing God's Word while reaching people for Christ.

To get a good idea of what this outreach is all about, please see our own church Outreach Page: <http://FBCBedford.net/Outreach> or else visit his own page: <http://LastCallForJesus.com>.

As to Robison himself, he is a solid born again believer with a real heart for Christian missions and a strong sense of fiduciary conscientiousness. Robison approaches volunteer and professional duties with the same unswerving loyalty and attention to detail.

I would recommend Robison Bryan for Outreach Coordination ministries in your church. Please do not hesitate to call me with any questions about Robison or our Outreach Program.
