

Something New and Special

Dear Brothers and Sister in the Lord:

It is not often that I feel compelled to write on behalf of someone as a reference source. In this case, it's a pleasure. I have always been impressed by Mr. Robison Bryan's character, excellent reputation, and "servant's heart: serving his church, family, kinship group and all with a desire to bring glory to the Lord worldwide. Mr. Robison Bryan, a professional computer technology consultant has given over ten years of sacrificial time to develop software that will encourage Christians and provide a unique way to reach the unsaved.

With all that is sent in to your ministry it is very easy to throw this note aside – I pray you won't. I encourage you or a staff member to take the time to review this valuable opportunity that Robison wants to provide to you to use in your ministry to help others.

Here are just a few of the GREAT REASONS why:

- 1. A NEW UNIQUE OFFER – FREE MULTIMEDIA NEW TESTAMENT**
- 2. A PARTNERING GIFT – THAT WILL BLESS EVERYONE**
- 3. A CREATIVE NEIGHBORHOOD OUTREACH KIT, complete with instructions for easy use**

Robison honored me with his request to use me as a character reference. I have headed up the ministry team and related training at the Anaheim Vineyard Church for the past sixteen years. In addition, I have been directly involved as a regional oversight leader of the Church's fifty-five Community Groups. Robison served as a member and worship leader in our kinship group. He actively participated in fellowship, prayer, and worship while spending over ten years working to develop the Home Group Overhead (HGO) software and ministry resources.

A desire to serve others, compassion and love for people have always been earmarks for success in my experience. I've observed Robison Bryan for over seven years and have been impressed with his dedication to serve the Lord and serve others, and his desire to bring encouragement, hope and care into the hearts of those around him. That is why I am sending you this whole-hearted recommendation for Robison Bryan and the HGO- Bible New Testament package he is interested in offering to you and your ministry, which will be a mutual blessing. I wish your ministry continued success.

Kind Regards,

Ken Slezak
